## Scope and content

---

Collection consists of an interview (audio recording and transcript) of Dr. Kenneth Strand by Gordon Hardy.

Strand was Acting President of Simon Fraser University from August 1968 to September 1969, and was President of the University from September 8, 1969 to September 1974. Gordon Hardy is a former student of Simon Fraser University. Mr. Hardy first interviewed Dr. Strand for the "The Peak" when Dr. Strand was named Acting President in 1968. The present interview was conducted in 1977 for the SFU Alumni Magazine, "Afterthoughts."

The interview is on Side A of the cassette tape. It is approximately 45 minutes long. Unfortunately the interview ends rather abruptly in mid-sentence, because the tape ended. Side B of the tape contains a short (about 10 minutes) interview of Gordon Hardy by the Library Assistant for Archives. This interview provides some background on Mr. Hardy's interview with Dr. Strand. Both interviews were conducted in offices, and consequently the background noise and interruptions detract from the interview.

The transcript of the interview is available.
