Administrative history / Biographical sketch

Note

Gerald Giampa was a fine printer and type designer. He ran Cobblestone Press in the 1970s and 1980s, then moved to digital font design with the digital foundry, Lanston Type Company. He designed the Bodoni 26 font, named one of the top 100 types by the Type Directors Club.

Scope and content

Fonds consists of printed materials from Cobblestone Press and Giampa's work records, including digital font files, catalogues, sales reports, newspaper clippings and correspondence.
