caapaak@sfu.ca

Discussion Topics: The course begins with a brief introduction to the discipline of archaeology and then provides an overview of the general development of human cultures from the emergence of the first humans to the rise of complex societies and empires in both the Old and New World. Lectures will be illustrated by slides, films, and case study examples. Students will be evaluated on the basis of two quizzes 50% (25% each) and a final exam (50%). Quizzes will encompass materials covered by lectures, readings, and films and will include definition, multiple choice, and short answers. The final will be based on all materials covered for the entire semester and will include definition, multiple choice, short answers and an essay section.

Grading: Quiz I (Week 5) -25%

Quiz II (Week 10) 25%

Final 50%
