The Simon Fraser University Pipe Band has brought distinction to the University, British Columbia, and Canada through its award-winning performances on the world stage.

O CANADA

O Canada!
Our home and native land!
True patriot love in all thy
sons command.

With glowing hearts we see thee rise,
The True North strong and free!

From far and wide,
O Canada, we stand on guard for thee.

God keep our land glorious and free!
O Canada, we stand on guard for thee.

O Canada, we stand on guard for thee.

CHANCELLOR'S WELCOME

On behalf of Simon Fraser University, I am honoured to welcome you to Convocation.

Convocation is the ceremony of recognition of your academic accomplishments. As we gather today to celebrate, in the company of your peers, mentors, supporters, family, and friends, we continue a tradition of learning and achievement that began with the earliest institutions of higher education centuries ago. Our caps, gowns, hoods, certificates and diplomas remind us of the long history of commitment to enquiry and scholarship. It is appropriate for us to take a moment today to think back to the launch of Simon Fraser University on September 9, 1965, when the first 2,500 students crossed the threshold, making

the same commitment to discovery, diversity and dialogue that you now embody.

Look around Convocation Mall and you will see that the youthful, creative energy that characterized SFU almost 50 years ago continues to flourish. We have grown not just in size and numbers but also in collective spirit. Our three campuses welcome more than 30,000 students each year, and today's graduates will join an alumni family that numbers over 130,000, and spans the globe.

Today is the moment to celebrate your hard work, a time to honour the effort and accomplishments of our students. But this is not a leave-taking.

Tomorrow, or one day in the not too distant future, we look forward to welcoming you again, as continuing students, as teachers, as mentors, parents, supporters and friends. The ceremony of convocation is not the end point. It is not the destination. Convocation is a way station on the journey of lifelong learning and the path of whole-hearted engagement. Travel well. Shed light for those who travel in the dark. And be sure your journey brings you back to this place, these people, your SFU.

Anne Giardini
Chancellor

PRESIDENT'S WELCOME

The skirling of the pipes, the procession across the pond, the conferring of degrees: Convocation at Simon Fraser University is a glorious ritual and a most suitable recognition of an academic job well done.

I join with your family and friends—and the other generous souls who supported you throughout your university journey—in applauding this important accomplishment.

The purpose of an SFU education is to equip you with the knowledge, skills and experiences you will need to succeed in an ever-changing and challenging world.

As W.B. Yeats observed, "Education is not the filling of a pail, but the lighting of a fire." I see that fire burning brightly in each of your eyes today—a flame that will sustain you in the years to come.

Hearty congratulations to our graduates, and thank you all for being part of this happy occasion.

Andrew Petter
President and Vice-Chancellor

ALUMNI ASSOCIATION WELCOME

As President of SFU's Alumni Association, I wish to congratulate you on achieving your academic goal and welcome you to our dynamic and diverse community of more than 130,000 alumni in more than 130 countries.

Like any strong community we take pride in your accomplishments. At Convocation, a fellow graduate will award you an SFU alumni pin, a modest symbol of your lifetime membership in your Alumni Association.

As you journey through life, look to your Alumni Association to remain informed and involved in the future of our university and your fellow alumni. To stay updated on all your benefits, opportunities and unique alumni-only events, join the Alumni Online Directory and register for alumni email forwarding.

Please visit the alumni website for details on the wide range of exclusive benefits and services you're entitled to: sfu.ca/alumni.

We invite you to stay connected, share your latest achievements, and be our ambassadors as you engage the world.

Congratulations, fellow alumni.

Ali Solehdin, BAsc '01 ENSC
President, SFU Alumni Association

HISTORY

SIMON FRASER UNIVERSITY
ENGAGING THE WORLD

The University is named after Simon Fraser, Loyalist, fur-trader and explorer, who in 1808 completed one of the greatest journeys in the annals of Canadian history by descending the mighty river which today bears his name.

In January 1963 a report recommended the creation of a new university in the Lower Mainland—two months later the establishment of Simon Fraser University received formal assent in the British Columbia Legislature, and Dr Gordon M. Shrum was appointed the first Chancellor.

From a variety of sites, the Chancellor recommended the top of 1200 foot high Burnaby Mountain, with its magnificent views of Burrard Inlet, the Coast Mountains, the Fraser River, and Vancouver harbour. The Vancouver firm of Erickson/Massey won the design competition, but the four runner-up architects each designed at least one building within the overall plan. Construction began in the spring of 1964 and eighteen months later, on September 9, 1965, Simon Fraser University opened to 2,500 charter students.

Since then the University has grown substantially, with the establishment of the Vancouver campus in 1980, and the establishment of Surrey campus in 2002.

SFU's Vancouver campus offers programs and services directed to mid-career intellectual and professional growth. With several striking downtown buildings, the campus currently serves over 70,000 people annually. In 2010 the School for the Contemporary Arts moved its Burnaby programs to the Vancouver campus, occupying a new facility on the redeveloped Woodward's site.

SFU's Surrey campus promotes student success with a learning environment based on innovative teaching approaches, small class sizes, and a vibrant research community. SFU's newest campus occupies a stunning facility designed by renowned architect Bing Thom, officially opened in September 2006.

GRADUAND SPEAKERS

Thursday, October 9, 9:45 AM

Mr Kjell Sadowski, BAsc, Engineering

Kjell Sadowski completed the Mechatronics Systems Engineering program in August. During his time at SFU, he actively volunteered with the Student Ambassador Program along with his departmental student union, the Mechatronic Systems Engineering Student Society (MSESS). For the first two years in the MSESS, Kjell acted as the VP external relations officer and held the position of president for his last year. Following graduation, Kjell plans to work in the field of industrial automation or wind energy. In his spare time, Kjell enjoys learning languages, training in martial arts and riding motorcycles.

Thursday, October 9, 2:30 PM

Ms Christine Tulloch, BA, English

Christine Tulloch looked forward to university after graduating from Walnut Grove Secondary school; however, she was diagnosed with leukemia and spent two and a half years in and out of hospital. Despite some debilitating side effects from chemotherapy, she re-enrolled in university. This journey gave her a new perspective and fueled a passion to help others battling cancer. Christine's passion and courage earned her the Terry Fox Gold Medal Award in 2013. She is graduating today with a Bachelor of Arts degree with a major in English and a minor in Counselling and Human Development. Currently, she works with a company that is developing technology to link and support young cancer survivors. Christine plans to pursue a master's degree in counselling so she can continue supporting others.

Friday, October 10, 9:45 AM

Ms Michiko Araki, BBA, Business

Michiko Araki is graduating with an honours degree in business, concentrating in marketing and human resources. At SFU, Michiko competed on the varsity women's wrestling team, where she earned three-time All-American honours and received the top-10 scholar athlete award in her senior year. In her spare time, she volunteers with various student groups and mentors first-year students. She also completed two co-op work terms at SFU and went on an academic exchange to Italy last year. Currently, she is an intern at Football B.C. and hopes to work in sports in the future.

Friday, October 10, 2:30 PM

Ms Andhra Azevedo, BSc, Environment

While working towards her degree in environmental science, Andhra Azevedo gained an education both inside and outside the classroom. Inspired by her environmental science courses and co-op term experiences, she helped found SFU350, a climate change action club on campus, which campaigned to end fossil fuel investments at SFU and successfully persuaded the university to adopt more ethical investment policies. Andhra was co-chair of the Environmental Science Student Union and finished her degree with a GPA of 4.31. She plans to pursue a career in environmental law and policy and aims to start law school next September.

Order of Procession ~ The procession will be led by pipers of the six-time World Champion Simon Fraser University Pipe Band.

Followed by: Claymore Bearer ~ **Graduands** ~ Delegates and Representatives ~ Faculty ~ Senate ~ Board of Governors ~ Distinguished Guests ~ Deans ~ Vice-Presidents ~ Mace Bearer ~ President ~ Chancellor.

Reception

Graduates and guests are invited for light refreshments in the James Douglas Room.

Sir Mason Durie, Doctor of Science, honoris causa

Sir Mason Durie, a member of the Rangitane and Ngati Kauwhata (Māori) tribes in New Zealand, is a respected expert on indigenous and Māori development. A psychiatrist, and professor emeritus at Massey University, Sir Mason devoted much

of his career to pioneering community and family mental health programmes with a particular focus on indigenous communities.

He also served as chair of the National Health Committee and Commissioner for the New Zealand Families Commission. He is passionate about developing an integrated approach to whanau (family) well-being.

Graduand Address

Ms Michiko Araki

The Presentation

Professor Andrew Petter

The President asks all the candidates for degrees to rise and presents them to the Chancellor:

"Madam Chancellor, I present to you those scholars who have fulfilled the statutory requirements laid down by the Senate of this University, and request that you confer upon each one the degree for which he or she is now recommended."

The Admission

Ms Anne Giardini

The Chancellor addresses the candidates:

"By virtue of the authority vested in me and in the Senate of this University, I hereby admit you to your various and several degrees."

Conferring of Degrees, Diplomas and Certificates by Faculty

Concluding Remarks

Ms Anne Giardini

Reception

Graduates and guests are invited for light refreshments in the James Douglas Room.

Dr Ahmed Zewail, Doctor of Science, honoris causa

Dr Ahmed Zewail, the 1999 Nobel Prize winner in chemistry, is Linus Pauling Chair professor of chemistry and professor of physics at the California Institute of Technology. A pre-eminent scientist who established the discipline of femtochemistry,

Dr Zewail most recently developed 4D electron microscopy for visualizing materials and biological behaviours in the four dimensions of time and space. He is also a statesman in world affairs, and for his contributions to science and public life he has received numerous international awards, including the Albert Einstein World Award and the Top American Leaders Award. In his name, the Zewail City of Science & Technology has been established in Egypt.

OUR TRADITION

SYMBOLS OF SIMON FRASER UNIVERSITY

The original Coat of Arms was granted to the University in 1965 by the Lord Lyon, King of Arms, in Edinburgh. The 1965 arms was registered in Canada in 2007.

In 2007, the Canadian Heraldic Authority granted a modification of the Coat of Arms at the request of the University. The arms are based on the arms of Fraser of Lovat, from whom the University's namesake was descended via the Frasers of Culbokie. The blue quarters with white "fraises" i.e., strawberry flowers (a pun on the name Fraser) are the basic Fraser arms, while the white quarters with red crowns are those of Lovat. There are three books at the top of the shield, representing education. The heraldic description of the arms is;

"Quarterly; first and fourth Azure three fraises Argent; second and third Argent three antique crowns Gules, all within a bordure quarterly Argent and Gules, on a chief Gules three open books proper, bound and edged Or."

The University's motto "Nous sommes prêts", meaning "We are ready", is a variation of the traditional motto of the Clan Fraser.

The mace was commissioned by University architects Arthur Erickson and Geoffrey Massey, and was presented to the University at the opening ceremonies on September 9, 1965. The mace is 61 inches long and weighs 23 pounds. Pieces of cut and polished jade, which were taken from the University's jade boulder in the Academic Quadrangle reflecting pool, were set in silver by its designer, Haida artist Bill Reid. The mace is crowned by a silver stag's head, derived from the coat-of-arms of Lord Lovat, head of the Clan Fraser. The Fraser tradition was to fasten sprigs of yew in their bonnets before entering battle, and the mace was carved from two hundred-year-old yew, gathered on Burnaby Mountain by a resident in the 1940s.

Lord Lovat presented the University with a claymore, or great sword, on September 9, 1965. The claymore was first used by a Fraser at the Battle of Culloden Moor in 1746. It was also used by a Fraser at the Battle of the Plains of Abraham in 1759. The claymore is approximately 36 inches long and weighs two pounds.

The University's flag is based on the coat of arms, and was first flown at the Convocation ceremonies in June 1981.

REGALIA

The regalia worn today by our graduates has a colourful history.

Regalia originated in the monasteries of the Middle Ages. At that time, university faculty were men of religion who wore the habit of their Order when teaching. Over time, their garments came to identify their university. In Europe, laymen did not commonly teach in universities until the 19th century. Only by 1858, for example, did British law no longer require university dons to be in holy orders. Nevertheless, professors continued to wear clerical garb, with modifications in cut and design.

Regalia colours often matched those of the university patron, or of the city in which the university was located; Simon Fraser regalia combines the red and royal blue of the Clan Fraser. (The University motto "Nous sommes prêts" or "We are ready," parallels the Clan's "je suis prêt.")

The degree hood was originally part of the monk's habit—a carryall for food or other small items. Eventually, the hood became separate from the gown, variegated in colour, and emblematic of scholars and degrees from particular universities. Hoods in Canada and Europe are unique in design and colour to each degree and each university.

The history of the mortarboard worn by our Bachelors and Masters begins with high church dignitaries in the 16th century. These officials wore hats consisting of little more than a cap with a raised, squared crown. By the 18th century, the crown had evolved into a cloth-covered board, and the wearers into the deans and rectors of universities. The 19th century saw the top knob replaced by a tassel and the cap become required student attire. Reminded of the square board masons used to hold mortar, students dubbed the headgear a "mortarboard"—college slang of the day.

Doctoral hats are patterned after the Florentine hats in the time of the Medici. Students purchased hats of the appropriate university colours when continuing with advanced studies after completing the Bachelor degree.

PROUDLY DISPLAY YOUR ACHIEVEMENT WITH SFU DEGREE FRAMES

A series of beautifully crafted degree and picture frames, especially designed for Simon Fraser University, will be sold at all the convocation ceremonies. These quality frames are manufactured in Canada with environmentally friendly materials by Significant Impact/Leader Frames in Toronto, a Canadian company with a proud tradition of over 30 years of experience.

Choose from elegant metal or beautifully crafted wood frames, with the exclusive SFU 24 karat gold plated medallion or the stylish gold foil embossing. Your parchment is easily inserted into these quick-change frames, which are further enhanced with a special clear acrylic cover to protect against undue fading. All frames are easy to hang, as no extra hanging hardware is required, and all come with a lifetime guarantee on parts and labour.

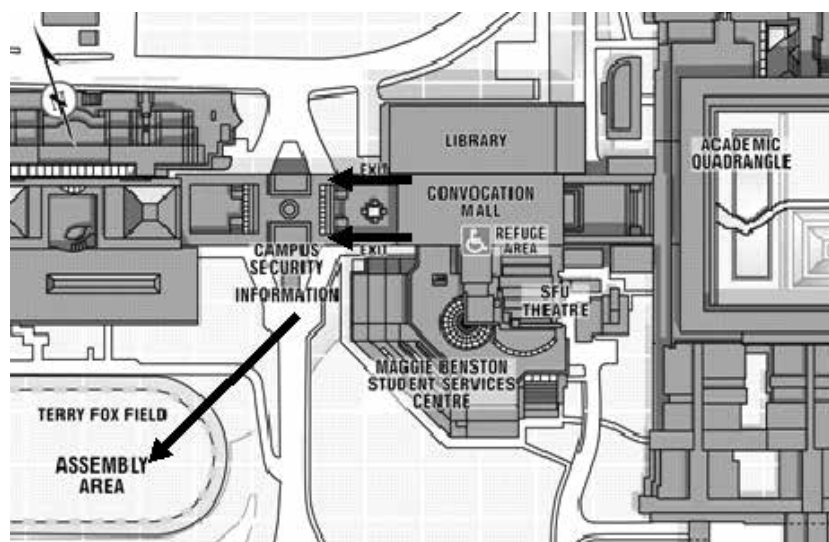

If you purchase your frame at your convocation ceremony, you will save on shipping. However, if it is more convenient you can order online at www.degreeframes.com or via the 24-hour order desk at 1.800.884.3199. Proceeds from the sales of these frames will be used to help the SFU Alumni Association and their programs.

CONVOCATION EVACUATION PROCEDURES

In the event that Convocation Mall must be evacuated please:

- 1 Remain calm and follow directions provided by University staff
- 2 Exit at the rear of Convocation Mall, down the stairs to Terry Fox field
- 3 Gather at the Assembly Area and await further instructions.

REFUGE AREA for those with limited mobility is the entrance to the Maggie Benston Centre just off the Mall.

Alumni are one of SFU's greatest gifts to the world; they are engaging the world and making a difference to others and to their communities through their careers, volunteer contributions, and personal projects and passions. Help us showcase these special alumni by submitting a note to the Alumni Appreciation Project.
