SIMON FRASER UNIVERSITY
THINKING OF THE WORLD

JUNE 2010 CONVOCATION

CHANCELLOR'S WELCOME

On behalf of Simon Fraser University, it is my honour to welcome you to our Spring 2010 Convocation Ceremony.

Simon Fraser University is proudly different.

In fact, an important part of the vision for this University has always been about being different in ways that mattered, ways that would benefit our students, our faculty and the communities we serve.

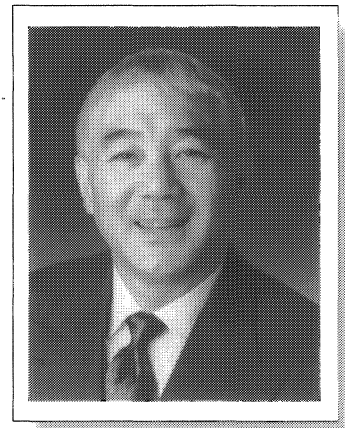

Since we first opened on September 9th, 1965 with 2,500 students, Simon Fraser University has been building the traditions and reputation that define us. Our university has stayed true to the core philosophy and values upon which it was built.

We are proud of our reputation for intellectual and academic freedom and our unfaltering commitment to academic innovation and lifelong learning. It is our willingness to be different that sets us apart as innovators and mavericks. Through innovative teaching, research and community outreach, we continue to foster discovery, diversity and dialogue.

Convocation celebrates an important milestone for our students, their families, teachers and friends. In selecting Simon Fraser University, our students chose an education that inspires open-minded, adaptable and resilient lifelong learning.

We honour our students for their achievements and commitment and wish them every success in realizing their unique individual potential within their chosen communities, professions and industries.

Brandt C. Louie
Chancellor

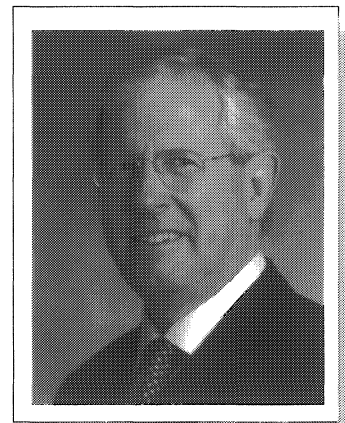

PRESIDENT'S WELCOME

Convocation stands as one of life's milestones marking the course of individual progress and achievement. Your graduation from Simon Fraser University is here and I hope that you will join with others to celebrate this important day. Ours is a ceremony built upon the imagery and symbolism that reflects the mediaeval origins of our University's inheritance. Led in academic procession by the stirring sound of our six-time World Champion Pipe Band, the robed graduands pass two-by-two into Convocation Mall, accompanied by faculty and dignitaries in their colourful regalia. It is a moving moment and one to recall in fond memory for years to come.

I am pleased that almost 80 percent of the graduating class take part in the ceremony. Few universities in Canada can make such a claim and I believe that it reflects well on our institution, its students and the grand setting in which the ceremony is held. Convocation is very much your day, but it is also a time to acknowledge and honour those close to you who have given their support and assistance over the years. It is a joyous occasion when family and good fellowship receive their due. Thank you for joining us for this very special event in your life and in the life of your University. It is a joyous occasion for family, friends and fellow students.

Michael Stevenson
President and Vice-Chancellor

OUR TRADITION

HISTORY

The University is named after Simon Fraser, Loyalist, fur-trader and explorer, who in 1808 completed one of the greatest journeys in the annals of Canadian history by descending the mighty river which today bears his name.

In January 1963 a report recommended the creation of a new university in the Lower Mainland—two months later the establishment of Simon Fraser University received formal assent in the British Columbia Legislature, and Dr Gordon M. Shrum was appointed the first Chancellor.

From a variety of sites, the Chancellor recommended the top of 1200 foot high Burnaby Mountain, with its magnificent views of Burrard Inlet, the Coast Mountains, the Fraser River, and Vancouver harbour. The Vancouver firm of Erickson/Massey won the design competition, but the four runner-up architects each designed at least one building within the overall plan. Construction began in the spring of 1964 and eighteen months later, on September 9, 1965, Simon Fraser University opened to 2, 500 charter students.

Since then the University has grown substantially, with the establishment of SFU Vancouver in 1980, and the establishment of SFU Surrey in 2002.

SFU Vancouver offers programs and services directed to mid-career intellectual and professional growth. With several striking downtown buildings, the campus currently serves over 70,000 people annually. In 2009 the School for the Contemporary Arts will move its Burnaby programs to the Vancouver campus, occupying a new facility on the redeveloped Woodward's site.

SFU Surrey promotes student success with a learning environment based on innovative teaching approaches, small class sizes, and a vibrant research community. SFU's newest campus occupies a stunning facility designed by renowned architect Bing Thom, officially opened in September 2006.

SYMBOLS OF SIMON FRASER UNIVERSITY

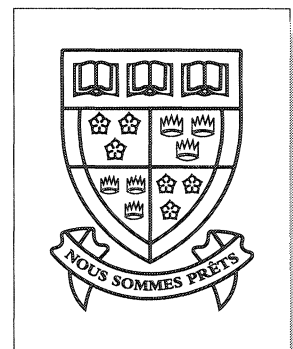

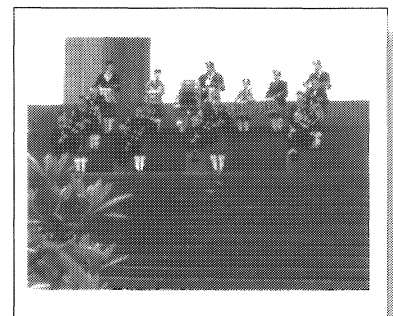

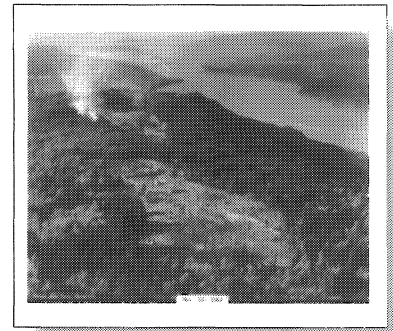

The original Coat of Arms was granted to the University in 1965 by the Lord Lyon, King of Arms, in Edinburgh. The 1965 arms were registered in Canada in 2007 and are now attached to the Office of the Chancellor.

In 2007, the Canadian Heraldic Authority granted a modification of the Coat of Arms at the request of the University. The arms are based on the arms of Fraser of Lovat, from whom the University's namesake was descended via the Frasers of Culbokie. The blue quarters with white "fraises" i.e., strawberry flowers (a pun on the name Fraser) are the basic Fraser arms, while the white quarters with red crowns are those of Lovat. There are three books at the top of the shield, representing education. The heraldic description of the arms is;

"Quarterly; first and fourth Azure three fraises Argent; second and third Argent three antique crowns Gules, all within a bordure quarterly Argent and Gules, on a chief Gules three open books proper, bound and edged Or."

The University's motto *Nous sommes prêts*, meaning "We are ready", is a variation of the traditional motto of the Clan Fraser.

The mace was commissioned by University architects Erickson and Massey, and was presented to the University at the opening ceremonies on September 9, 1965. The mace is 61 inches long and weighs 23 pounds. Pieces of cut and polished jade, which were taken from the University's jade boulder in the Academic Quadrangle reflecting pool, were set in silver by its designer, Haida artist Bill Reid. The mace is crowned by a silver stag's head, derived from the coat-of-arms of Lord Lovat, head of the Clan Fraser. The Fraser tradition was to fasten sprigs of yew in their bonnets before entering battle, and the mace was carved from two hundred-year-old yew, gathered on Burnaby Mountain by a resident in the 1940s.

Lord Lovat presented the University with a claymore, or great sword, on September 9, 1965. The claymore was first used by a Fraser at the Battle of Culloden Moor in 1746. It was also used by a Fraser at the Battle of the Plains of Abraham in 1759. The claymore is approximately 36 inches long and weighs two pounds.

The University's flag is based on the coat of arms, and was first flown at the Convocation ceremonies in June 1981.

REGALIA

The regalia worn today by our graduates has a colourful history.

Regalia originated in the monasteries of the Middle Ages. At that time, university faculty were men of religion who wore the habit of their Order when teaching. Over time, their garments came to identify their university. In Europe, laymen did not commonly teach in universities until the 19th century. Only by 1858, for example, did British law no longer require university dons to be in holy orders. Nevertheless, professors continued to wear clerical garb, with modifications in cut and design.

Regalia colours often matched those of the university patron, or of the city in which the university was located; Simon Fraser regalia combines the red and royal blue of the Clan Fraser. (The University motto "nous sommes prêts" or "we are ready," parallels the Clan's "je suis prêt.")

The degree hood was originally part of the monk's habit—a carryall for food or other small items. Eventually, the hood became separate from the gown, variegated in colour, and emblematic of scholars and degrees from particular universities. Hoods in Canada and Europe are unique in design and colour to each degree and each university.

The history of the mortarboard worn by our Bachelors and Masters begins with high church dignitaries in the 16th century. These officials wore hats consisting of little more than a cap with a raised, squared crown. By the 18th century, the crown had evolved into a cloth-covered board, and the wearers into the deans and rectors of universities. The 19th century saw the top knob replaced by a tassel and the cap become required student attire. Reminded of the square board masons used to hold mortar, students dubbed the headgear a "mortarboard"—college slang of the day.

Doctoral hats are patterned after the Florentine hats in the time of the Medici. Students purchased hats of the appropriate university colours when continuing with advanced studies after completing the Bachelors degree.

A PHOTOGRAPHIC RECORD OF YOUR CEREMONY

Photographers from **Artona Studio** will be at your ceremony to take a photograph of you at your special moment of recognition.

Since photographs will be available, family members and guests are encouraged to remain in their seats, relax and enjoy the ceremony.

PROUDLY DISPLAY YOUR ACHIEVEMENT WITH OUR SFU DEGREE FRAMES

A series of beautifully crafted degree and picture frames, especially designed for Simon Fraser University, will be sold at all the convocation ceremonies. These quality frames are manufactured in Canada with environmentally friendly materials by Significant Impact/Leader Frames in Toronto, a Canadian company with a proud tradition of over 30 years of experience.

Choose from our elegant metal or beautifully crafted wood frames, with the exclusive SFU 24 karat gold plated medallion or the stylish gold foil embossing. Your parchment is easily inserted into our quick-change frames, which are further enhanced with a special clear acrylic cover to protect against undue fading. All of our frames are easy to hang, as no extra hanging hardware is required, and all come with a lifetime guarantee on parts and labour.

If you purchase your frame at your convocation ceremony, you will save on shipping. However, if it is more convenient you can order online at www.degreeframes.com or via our 24-hour order desk at 1.800.884.3199. Proceeds from the sales of these frames will be used to help the SFU alumni association and their programs.

EMERGENCY PROCEDURES

In the event of an emergency requiring the evacuation of Convocation Mall, official University personnel (in black or blue gowns, or Security uniforms) will direct everyone to the West end of the Mall and to the safety of Terry Fox field beside the University Gym. University personnel will direct those with mobility impairments to the appropriate route.
